The screenshot shows a software window titled 'Formulary'. At the top, it says 'Health Net California's Heal...'. There is a button labeled 'All' in the top right corner. Below this, there is a list of categories, each preceded by a checkbox. The first category, 'Angiotensin Converting Enzyme Inhibitor', is expanded, showing a list of medications: Accupril <C,\$\$\$>, Capoten <C,\$>, Captopril <C,\$>, Lotensin <C,\$\$>, Monopril <C,\$\$\$>, and Zestril <C,\$\$\$>. Below this list are four more categories: Antianginals, Antiarrhythmic agents, Anticoagulants/Antithrombotics, and Antihypertensives, each preceded by a checked checkbox. At the bottom right, there is a 'Cancel' button and an 'OK' button. Handwritten labels with arrows point to various parts: '600' points to the left side of the window; '602' points to the 'All' button; '604' points to the 'All' button; '606' points to the list of medications under 'Angiotensin Converting Enzyme Inhibitor'; and '608' points to the 'Antianginals' category.
